

Epson Stylus® Pro 4000 Printer Stand

The ultimate in functionality and aesthetics for advanced printing professionals.

Designed by a team of award-winning professionals, this unique printer stand not only complements the attractive design of the Epson Stylus Pro 4000—it offers an innovative addition that gives you greater versatility and convenience. The perfect partner to your Epson Stylus Pro 4000, this cabinet makes it possible to achieve a complete, cohesive solution for advanced print professionals—giving you the means for a more efficient, more effective workflow.

This beautifully designed cabinet offers a removable inner shelf, lockable wheels, easy access to the printer's ink and media, plus a venting system in perfect alignment with that of the Epson Stylus Pro 4000. Nested right on top, just below the highest surface, the Epson Stylus Pro 4000 fits perfectly into the stand—enhancing its exterior appearance, while creating a more valuable perception of this high-performance printing solution. Created with precision detail, the cabinet's arching radii mirrors the radii of the printer itself. And, all fasteners are concealed, so as to provide a more elegant and seamless visual experience.

No other printer option offers such a dynamic addition to your printing workflow, with both added versatility and astounding aesthetic appeal. This innovative printer stand provides the ideal choice for both extreme functionality and the highest level in quality and design.
