

AngelicaSM Watercolor Paper

AngelicaSM by Parrot watercolor papers are single side coated, traditional fine art media. The special matte coating on these papers has been designed for high quality inkjet digital fine art and photographic reproduction and print applications.

Features

- Coating formulation that produces a high color gamut and superior image resolution
- Compatible with dye and pigment ink sets
- Coating offers a very high level of water resistance
- Acid free
- Available in sheet and roll format
- Long-term image stability
- Appealing look and feel

Benefits

- Offers the esthetical view accustomed with Traditional Fine Art Papers.
- Brighter, more-saturated image.
- Enhanced image resolution and detail, especially in highlight and shadow areas.
- Resists yellowing
